

# Institutional Resolution

## Credential Governance & Emblem Standardization Agile AI University

**Resolution ID:** AAIU-RES-CG-001

**Adopted On:** 18 December 2025

**Effective From:** Immediate

**Status:** Final · Binding · Institutionally Frozen

### 1. Purpose

This resolution formally establishes and freezes the Credential Governance Framework v1.0, the official institutional emblem, verification authority, and rules of interpretation for all credentials issued by Agile AI University.

### 2. Credential Governance Framework

Credential Governance Framework v1.0 is hereby ratified as the single authoritative document governing credential issuance, verification, equivalency recognition, and academic scope.

### 3. Emblem Adoption & Freezing

The official Agile AI University emblem is adopted and institutionally frozen. No alterations are permitted without a superseding institutional resolution.

### 4. Verification Authority

The official credential verification registry is <https://certs.agileai.university>. Only records published via this registry constitute official verification.

### 5. Versioning & Change Control

Minor versions clarify without altering meaning. Major versions apply prospectively. Credentials retain meaning under the framework version active at issuance.

### 6. Supersession

This resolution remains in force until explicitly superseded or revoked by governing authority.

### 7. Institutional Commitment

Agile AI University affirms its commitment to academic integrity, transparency, and employer-grade credential verification.
