

AGILE AI UNIVERSITY

MASTER SYSTEM CONTEXT LOCK (Public Site + Assessment + Governance)

Date: 11 Feb 2026

Status: LOCKED

1. ORGANIZATIONAL POSITIONING (LOCKED)

Agile AI University is positioned as an independent academic & professional body.

NOT positioned as:

- A training company
- A certification-selling entity
- A hiring evaluation body

Executive Insight is:

- Advisory
- Interpretive
- Non-certifying
- Non-hiring evaluative

2. ARCHITECTURE OVERVIEW (LOCKED)

Public Learning Site:

- Hosted via GitHub Pages
- Branch: main
- Folder: /docs

- Custom domain: learn.agileai.university

- HTTPS enforced

Assessment System:

- 25 Questions (LOCKED)

- Deterministic scoring logic

- No change to question or scoring model without governance revision

- SessionStorage-based report persistence

Admin / Portal (Firebase Hosting):

- portal-agileai-university.web.app

- certs-agileai.web.app

3. EXECUTIVE INSIGHT (LOCKED)

Free = Orientation

Paid = Decision Support

Access Control:

```
execInsightUnlocked === "true"
```

Else redirect to /report.html

Session-based entitlement is intentional.

4. GOVERNANCE RULES (LOCKED)

Batch Creation UX Safety:

- No auto program code selection
- Mandatory selection
- Confirmation modal required
- Irreversible binding warning

Search Governance:

- robots.txt hardened
- AI crawler policies added
- sitemap.xml submitted
- Domain Property verified in Search Console

5. DNS & DOMAIN CONFIGURATION

learn.agileai.university → GitHub Pages (CNAME)

HTTPS enforced

TXT record used for domain verification

6. RELEASE RULE

No public release unless:

- Checklist fully passed
- Documentation updated
- Architectural integrity maintained

END OF LOCKED SYSTEM CONTEXT
