GOVERNANCE LOG ENTRY

Agile AI University — Public Learning Surface

UI Layer Stabilization — Version 4.0

Date: 12 Feb 2026
Authority: Founder & Architectural Custodian
Scope: learn.agileai.university (GitHub Pages)

Milestone Summary

The Public Learning Surface UI layer has been formally stabilized under Institutional UI v4.

Architectural Decisions Locked

- Hosted on GitHub Pages
- Unified HTML template architecture
- Deterministic 3-state theme system
- Institutional UX polish layer

Governance Freeze Decision

UI layer declared functionally complete and institutionally stable.

Strategic Implication

Shift focus to revenue layer activation and portal monetization.
