Governance Master Index — 2026

Document ID: GR-INDEX-2026

Status: ACTIVE MASTER REGISTER

Scope: All governance records issued in calendar year 2026

---

1. Purpose

This document serves as the authoritative register of all Governance Records (GR),

Architecture Records (AR), Security Records (SR), Financial Records (FR),

and Policy Records (PR) issued in 2026.

It establishes traceability, institutional continuity, and audit discipline.

---

2. Naming Convention

All governance documents must follow:

----v

Example:

GR-2026-02-Verification-v1.0

Codes:

GR = Governance Record

AR = Architecture Record

SR = Security Record

FR = Financial Record

PR = Policy Record

---

3. 2026 Governance Register

GR-2026-01 — Credential Governance Core Framework (Foundational)

GR-2026-02 — Public Credential Verification System (Frozen v1.0)

---

4. Control Rules

- No record may be modified without version increment.

- Superseded records must remain archived.

- Index must be updated immediately upon issuance of any new record.

- Sequential numbering must not be reused.

---

5. Authority

This index is maintained under the institutional governance authority

of Agile AI University.
